

Respiratory Equipment Mounts

Amico Accessories Respiratory Equipment Mounts offer unique benefits to healthcare providers including flexibility, adaptability, productivity, aesthetics and ergonomics. Patient rooms can be re-configured quickly and easily in response to changing demographics, protocols or new regulations.

Features:

- Equipment can easily be locked down or moved for security and convenience
- Improves patient safety and care
- Easily mounts to any rail system, boom, or headwall
- Improves workflow and accessibility
- Layout of room can be tailored based on the needs of the provider and patient
- Setup can be customized along the rail to accommodate multiple room configurations
- No assembly required
- 5 year standard warranty

Mounting Options:

- A** Amico Horizontal Rail Mount (Compatible with Amico and Modular)
