

Warranty Policy - Medical Gas Pipeline Equipment

Amico Corporation warrants its Medical Gas Pipeline Equipment to be free from material defects and workmanship for a period of twelve (12) months from the date of shipment. Within this period, Amico Corporation will repair or replace any part onsite, which is proven to be defective at Amico's cost.

Furthermore, Amico will warrant its material to be free from defect for an additional period of four (4) years from the date of shipment. Within this period, Amico will supply any part which is proven to be defective, at no charge (including freight).

The warranty is valid only when the product has been properly installed and serviced in accordance with Amico's specific documentation (Installation Manual, Operation and Maintenance Manual). The warranty does not cover failures or damage which result from shipments, accidents, misuse, abuse, neglect, alteration, misapplication, mishandling, or failures attributable to acts of God.

Amico shall not be liable for incidental or consequential damages resulting from the equipment.

All claims for warranty must first be approved by Amico's Service Department at service@amico.com or by calling 1-877-462-6426. A valid Return Goods Authorization number (RGA) must be obtained from Amico prior to the commencement of any service work. Work which has not been pre-authorized by Amico will not be reimbursed.
