

Warranty Policy - Enclosed Air Systems

Amico Industrial Inc. warrants the equipment it manufactures to be free of defects in materials or workmanship when installed and operated in accordance with instructions. The Warranty Periods commence upon shipment or at start up, whichever period terminates earlier.

Standard Warranty Periods

	From Shipment	From Start-up
Enclosed Air Systems	30 months	24 months

Conditions of Standard Warranty Periods – Complete Systems

30 months from the date of shipment or 24 months from start-up, whichever comes first, on replacement of defective parts. Labor, travel and shipping costs are covered for 18 months from the date of shipment or 12 months from start-up, whichever comes first.

Conditions of Standard Warranty Periods – Parts Orders

12 months from the date of shipment on replacement of defective parts only.

This warranty covers all necessary parts and services as defined in the Conditions of Standard Warranty Periods, required for correction of the defect whether by any or all of repair, replacement, or credit, which election shall be made by Amico Industrial Inc. at its sole discretion, and which are purchaser's only remedies for breach of warranty.

This warranty requires the owner to ensure that the equipment is:

- Installed in accordance with the installation and maintenance manuals provided with the product
- Started up or placed in service by an authorized representative of Amico Industrial Inc., which includes the completion and forwarding to Amico Industrial Inc. of a Start-up and Warranty Registration Form; downloadable from the following location: <http://www.amico.com/warranties>
- Certified in accordance with all applicable local standards, by a properly qualified certification agency
- Maintained in strict accordance with the Operation and Maintenance Instructions provided with the product

Effective January 1st, 2021

Warranty Policy - Enclosed Air Systems

Warranty claims will be honoured only after defective parts are evaluated by Amico Industrial Inc. and only when the examination discloses to Amico Industrial Inc.'s reasonable satisfaction that the equipment has not been damaged in shipment or improperly installed, operated outside of any published parameters (including but not limited to temperature, pressure, or ventilation), improperly or inadequately maintained, field modified in any way, improperly repaired, or in any other way improperly applied or used.

All claims against this warranty require prompt notification, within the warranty period, of any seeming defect. Failure to promptly notify Amico Industrial Inc. of the seeming defect will invalidate all warranties.

Amico Industrial Inc. is not liable for delay, damage or defect caused by shipping, acts of God, fire, war, labor difficulties, action of government, or other cause beyond the reasonable control of Amico Industrial Inc. If there is a material delay in delivery for any reason, purchaser's only remedy is to cancel the purchase order.

This warranty is given in lieu of all other warranties, expressed or implied, including implied warranties of fitness for a particular purpose and merchantability. In no event is Amico Industrial Inc. liable for damages in excess of the value of the defective product, nor is Amico Industrial Inc. liable for any indirect, special or consequential damages, loss of profit of any kind, or for loss of use of the products, even if Amico Industrial Inc. is aware or should be aware of the possibility of the same.

Effective January 1st, 2021
