

Description:

The Amico Solar Series Nova Motorized LED Exam Light is a fully recessed exam light designed for use in NICU spaces. The Nova offers a convenient alternative to ceiling mounted exam lights, easily controlled by a single keypad, and is designed with a small beam diameter as to not interfere with infant care.

Features:

- Hospital grade materials and finishes for easy cleaning and infection control
- Fully recessed installation
- Long lasting LEDs come in various color temperatures
- Low voltage wall control keypad for user safety
- Wall control keypad fits seamlessly into a single gang box
- Small beam diameter suited for use in NICU spaces
- Adjustable direction and light intensity
- 30 degree tilt, 360 degree rotation

Construction Material:

Housing: 20GA cold rolled steel enclosure

Finish: Matte black paint finish – 5 step treatment; hospital grade material and finish

Drivers: High power factor constant current, 0.97 pf @ 120 V (Class 2, Class II)

Specifications:

Voltage: 120 Volts

Standard Wattage: 65 W

Standard Light Output*:

- 30,000 LUX
 - Ceiling Height: 10'0"
 - Work Plane: 3'0"
- *refer to Ceiling Chart on page 3

Color Quality: 95+ CRI

Angle of Illumination: 38 Degrees

Ingress Protection: IP65

Standard Color Temperature: 3000K, 3500K, 4000K

Life of LEDs: L70 50,000 hours

Warranty: Limited five (5) year warranty

Conforms to: AAMI STD ES60601-1, IEC STD 60601-1-6, IEC STD 60601-2-41

Certified to: CSA STD C22.2 No.60601-1
