

Description:

The Amico Solar Series Nova Motorized LED Exam Light is a fully recessed exam light that can be used in various settings throughout the hospital environment. Precisely positioned LEDs and 360 degrees rotation allow for increased illumination and superior shadow control for more targeted examinations. Available in either single or dual configurations, The Nova offers a convenient alternative to ceiling mounted exam lights and can easily be controlled by a single keypad.

Features:

- Hospital grade materials and finishes for easy cleaning and infection control
- Fully recessed installation
- Long lasting LEDs come in various color temperatures
- Available in single or dual configurations
- Low voltage wall control keypad for user safety
- Wall control keypad fits seamlessly into a single gang box
- Conveniently control up to two Nova exam lights on one keypad

Construction Material:

Housing: 20GA cold rolled steel enclosure

Finish: Matte black paint finish – 5 step treatment; hospital grade material and finish

Drivers: High power factor constant current, 0.97 pf @ 120 V (Class 2, Class II)

Specifications:

Voltage: 120 Volts

Standard Wattage: 65 W

Standard Light Output*:

- 55,000 LUX
 - Ceiling Height: 10'0"
 - Work Plane: 3'0"
- *refer to Ceiling Chart on page 3

Color Quality: 95+ CRI

Angle of Illumination: 38 Degrees

Ingress Protection: IP65

Standard Color Temperature: 3000K, 3500K, 4000K

Life of LEDs: L70 50,000 hours

Warranty: Limited five (5) year warranty

Conforms to: AAMI STD ES60601-1, IEC STD 60601-1-6, IEC STD 60601-2-41

Certified to: CSA STD C22.2 No.60601-1
